Height 22.4 in/57.15 cm
to 26.3 in/66.84 cm
Weight: 99 lbs/ 45.0 kg
Capacity: 660 lbs/300 kg

MW39 COT

Item: PTMW039

The MW39 is designed to be operated by one person and reduce the effort required for safely transporting patients. Custom built to fit over 20 vehicle models. Constructed with strong, light-weight, aluminum, the cot features two independent folding legs with independent handles for increased security. Additional features include adjustable headboard, four swivel wheels 5 in/12.7 cm diameter, side rails with automatic closing, one shoulder harness with four point locking system, two security belts, and impermeable foam mattress with welded seam (colors Blue, Burgundy, Grey, and Orange). Vehicle fastening system included. Two Year Warranty.

Specifications:

Weight: 85 lbs/38.6 kg

Capacity: 440 lbs/220 kg

MX-38 X SYSTEM COT

Item: PT038

Redesigned to be stronger and lighter than comparable models with heat-treated extruded aluminum and ABS plastic. The X System Cot can be adjusted to six different levels of height for ease of changing patients from cot to bed. Compatible with different vehicles. The headboard has six levels of adjustment up to 90 degrees. Six feet positions up to 45 degrees. Waterproof mattress with welded seams covers 28-density foam. Colors include Blue, Burgundy, Orange, or Gray. Fastening system and shoulder harness with quick snap-lock buckles included. Two Year Warranty.

Specifications:

Length 74.8 in/190 cm

Width 22 in/56 cm

Weight: 83.7 lbs/38 kg

Capacity: 441 lbs/200 kg

MC-28 COMBINATION COT

Item: PT028

The MC™ 28 is ideal for confined spaces such as elevators or hallways. Easily converts from a flat cot to a chair for easy access in narrow or confined spaces. Chair adjusts to several positions and headboard can be adjusted between 0 and 90 degrees. Folding legs allow simple loading and unloading. Mattress is made of 28-density foam covered with waterproof material and welded seams and is available in Blue, Orange, Gray, or Burgundy. Includes shoulder harness with removable quick snap-lock buckles. Vehicle fastening system included. Two Year Warranty.

Specifications:

Length: Cot Position: 75 in/191 cm

Chair Position: 46 in/117 cm

Width: 22.8 in/58 cm

Weight: 88 lbs/40 kg

Max Load: 440 lbs/200 kg

MR-30/35 COT

Item: PT030 (Height 50 – 59 cm)

Item: PT031 (Height 60 – 69 cm)

Item: PT032 (Height 70 – 79 cm)

Item: PT033 (Height 80 – 89 cm)

Item: PT034 (Height over 90 cm)

Item: PT035 (Special requirements)

Easily operated by one person. Manufactured to fit a variety of vehicles with different load heights. The undercarriage retracts when placed into a vehicle and automatically locks into the down position when rolling out. 8 level neck support ranges from 0 to 90 degrees. Mattress is made of 28-density foam, covered with waterproof material and has heat sealed seams. Colors: Blue, Orange, Gray, or Burgundy. Includes shoulder harness with removable quick snap-lock buckles. Vehicle fastening system included. Two Year Warranty.

Specifications:

Length: 68.8-76.7 in/175 to 195 cm

Width: 22 in/56 cm

Weight: 83.6 lbs/38 kg

Capacity 440 lbs/200 kg.

COMBICARRIER® II

Item: CC2200P CombiCarrier II

Item: CC2100 CombiCarrier without pins & 3 one-piece straps

Item: CC2100P CombiCarrier with pins & 4 two-piece Speed-Clip straps

The next generation scoop.backboard. Easy to use by all fire, rescue and hospital personnel.
